

## DARI

Insurance contracts seem to you often too much complicated, and it is never easy to know what they bring you really. **ASTREE** understood it perfectly by creating **DARI** : a simple contract for a complete protection of your house.

### **DARI, a new type of contract DARI,**

it is several guarantees in a single contract, formulated in a clear and understandable way by all.

DARI, it is a contract " immediate answer ": you choose the amount of insured amounts and immediately you have the price of your contract.

### **DARI a contract full of guarantees**

**DARI**, assures your villa or your apartment against the main risks which can affect it: the fire, the explosions, the fall of the lightning, the break of Channeling, a theft or an attempt of theft.

**DARI** allows you also if you wish it to guarantee your valuables against the damages which they could undergo further to a theft.

**DARI** assures you for the damages that yourself or a member of your family can talk in the others and involving your civil liability of head of the family, as it takes care of the damages caused to your neighbours or to third further to a fire or to a break of channeling. DARI can also cover the expenses of search for water leak and assure your civil liability of owner of building.

### **DARI,**

**It is a contract really complete  
And so simple!**
