

## Insuring Agricultural Risks

Whether you are [a farmer](#), **a fisherman**, or **a manager of an agricultural enterprise growing crops or raising cattle**, **ASTREE** can offer you a whole range of policies, from the simplest ones, covering your livestock (cattle mortality), as well as your crops against fire and hail, to the most sophisticated package contracts.

In us as well as in **SOREMA (SCOR)**, the leading reinsurance company in France, you will find solid partners and reliable supporters, for the protection of your farming enterprise.
