

MENZEL

In the insurances all the contracts are alike, nevertheless you are unique, your house is unique, your family is it also, in brief it is necessary to you of to measure. **ASTREE** understood it and proposes you the contract **MENZEL** daptable to each of you.

MENZEL, a contract not as the others.

MENZEL, it is a contract to measure and flexible. You choose the risks against which you want to protect yourselves, and the amount of the guarantee.

MENZEL, it is the modern flexibility and the light of contracts allied to the wealth of the traditional formulae.

MENZEL, a contract in the multiple facets.

MENZEL allows you to assure your house as you like it: Fire, Explosion, Breaking ice, break of channeling, theft of your furniture, your consequentive objects or the business(cases) stored in the dependences... **MENZEL** imagined for you all the possible situations; you have only to choose the guarantees which seem to you the most adapted.

MENZEL, it is "worked" guarantees, that offer you a protection in the most varied situations: to you, in holidays or in journey, **MENZEL** allows you to take advantage of the biggest safety.

MENZEL assures also your responsibility of head of the family or owner of building, that it is for damage to property or physical injury.

MENZEL

It is a contract in your measures!
