

PARTNERS

One of the reasons which account for our company's effective performance may be explained, first of all, by its league, and close relation with the best and most reliable partners in the world. Thus, for instance, **MUNICH REINSURANCE**, one of the world's greatest companies, is the leading reinsurer of our treaties in loss damages and life insurance. Another paramount international figure, **EULER**, covers exclusively in Tunisia our activity of reinsurance in credit risk. We can add still another name among our renowned partners, **SCOR**, our re-insurer in agricultural risks. Not less important, **EUROP ASSISTANCE**, world leader in travel insurance is, also, our re-insurer.

On the other hand, our company has the privilege to count among its partners loyal clients including whom you can find top ranking financial institutions in the market, as well as some of the most successful industrial companies.

ASTREE ASSURANCES can boast also, of the host of distinguished shareholders, Tunisians as well as non-Tunisians. Among these, we can mention **LA BANQUE DE TUNISIE** and **ALLIANZ-AGF** group, the main shareholders. Add to the list several other private Tunisian groups, all of whom represent the frame of our share capital.
